Franco's Crypt; Jeremy Treglown. History is written by the victors. It's a cliché, but a reliable one—except in the case of the Spanish Civil War. Many believe wrongly, as it turns out—that under Franco's dictatorship, nothing truthful or imaginatively worthwhile could be said or written or created.

[franco s crypt by jeremy treglown 9780701180621](#)

The Spanish Civil War is largely known through the accounts of outsiders such as Orwell and Hemingway, with the long years of Franco's dictatorship seen as an era of silence and suppression. This compelling investigation dispels this myth, demonstrating how the memory of these events was kept alive in novels, films, paintings and sculpture.
